

## SUMMIT ALL STARS 2018-2019 Fee Schedule

You will notice that this season we are separating out the levels for some competitions. This is designed to save you money where we can, as well as offer the best opportunity for competitions for your athlete.

Levels 2-5 have an outside choreographer that we hire to come in and create our routines. They will also participate in a Team Retreat (weekend sleepover camp) as well as a stunt camp in October. This is why the cost for Level 1 Cheer is significantly cheaper than the rest. We have found that our in-house choreography for Level 1 does just as well as when we hire out, as some of the younger kids cannot pick up on an intensive weekend of routine practice until they mature a bit.

All fee schedules include competition fees, music fees, coaches' fees and travel and USASF fees. Levels 2-5 fee schedules include the choreography fees, fall retreat and stunt camp as well. None of the fee schedules include your uniform fee. Apparel includes the following: new uniform, competition bow. This Apparel fee is broken up into two payments of and is to be paid in addition to your May and June fees.

**Payments are due on the 15th of the month. ALL CHECKS SHOULD BE MADE PAYABLE TO SUMMIT ALL STARS.**
