

SUMMIT ALL STARS
2019-2020 Fee Schedule

You will notice that this season we are separating out the levels for some competitions. This is designed to save you money where we can, as well as offer the best opportunity for competitions for your athlete.

Levels 2-5 have an outside choreographer that we hire to come in and create our routines. They will also participate in a Team Retreat (weekend sleepover camp) as well as a stunt camp in October. This is why the cost for Level 1 Cheer is significantly cheaper than the rest. We have found that our in-house choreography for Level 1 does just as well as when we hire out, as some of the younger kids cannot pick up on an intensive weekend of routine practice until they matured a bit.

All fee schedules include practice wear, competition uniform, competition bow, competition fees, music fees, coaches' fees and USASF fees. Levels 2-5 fee schedules include the choreography fees, fall retreat and stunt camp as well

ALL TEAM MEMBERS MUST HAVE A VALID CREDIT CARD ON FILE THAT WILL BE RAN IF PAYMENTS ARE NOT MADE ON THE 15TH OF EVERY MONTH!

Payments are due on the 15th of the month. ALL CHECKS SHOULD BE MADE PAYABLE TO SUMMIT CHEER TEAM.
